Dear Ms. Benson & Ms. Liebman:

On behalf of Roslyn High School I would like to thank you for your extremely important, informative and enlightening Bullyfrog presentation to our tenth grade health classes. Your current information and extensive involvement in this area brought to our students valuable knowledge and data to help them really understand the seriousness of this topic. The feedback we received from the students was positive and they felt your time with them was extremely worthwhile.

Once again, thank you for your time and presentation and sharing your experiences and knowledge with our students.

Sincerely,

Jay Pilnick
Assistant Principal
